

LUTHER HIGH SCHOOL BUS TRANSPORTATION 7-27-17

In an effort to reduce bus transportation costs the Board of Control adopted the policy that the Luther High School buses follow the most direct and convenient routes with designated pick-up points. It is, therefore, often necessary for students to come a short distance to meet the bus. Any requests for a bus to deviate from the route may be made to the Board of Control.

1. Daily student transportation for our four routes is contracted with GORITEWAY. The cost is included in tuition.
2. Holmen, Onalaska, and La Crosse School Districts transport our students who live in their districts. When La Crosse doesn’t have school, our students who live on non-city routes must get to an in-city route or to school on their own.
3. West Salem School District contracts with parents to haul their own children.

Questions can be directed to Keith Heinze at 608-783-5435 ext. 1130 or GORITEWAY at 608-881-6370.
