Luther High School provides a Christ-centered education that encourages and equips students for life and for eternity.

COVID-19 UPDATE

Parents, so far for this school year we have had three students who have tested positive for Covid-19. You have done a good job of getting information to school so we can determine who was in close contact with the student who tested positive. As of today we have not had any of our close contact quarantine students test positive with Covid-19. Each positive test puts approximately 15-20 students into virtual learning as a close contact. Things have been going pretty well with our virtual learning compared to last spring when we were thrown into it.

School Day Added to Calendar

Please remember that we now have school on Monday, October 12 due to the cancellation of the Children's Theatre performance.

MLC Student Teacher Housing Needed

Dear Luther High School Association,

God has blessed Luther with the opportunity in helping Martin Luther College train future called workers. **MLC will be sending us two student teachers, one female and one male, to start student teaching on October 19th.** Luther is currently looking for two host families to house the student teachers. There are reimbursement opportunities from MLC while hosting a student teacher. Also, MLC has already agreed to have both student teachers tested for Covid-19 before sending them to Luther High School. If you are interested in hosting a student teacher, please contact Principal Engelbrecht at Luther at 608-783-5435 ext. 1140 or by email at engejon@luther.k12.wi.us. He is willing to answer any questions you might have.
